

Ladybird Counting Game

You will need:

Cut out a ladybird shape- it doesn't have to be perfect.

Dice

Small black spots

What to do:

Lay out the ladybird templates and give each person a few black dots.

When it is your turn roll the dice then put the corresponding number of dots on your lady bird.

The first one to fill the ladybird is the winner.

Taking it forward:

Try using 2 dice and add the spots counting how many there is on the ladybird altogether.

What's in it for the children?

Following simple instructions, using counting skills, practicing fine motor skills and participating in a game taking turns.
